To Whom It May Concern:

On behalf of Deaf-REACH, I would like to thank you for attending Jon Tomar's garden party. Your generous gift of \$50 which provides continuous opportunities in the deaf community and is sincerely appreciated.

Each year Deaf REACH continues to advance its mission providing housing and community support to deaf adults needing mental health services. Through our programs Deaf REACH has, over the years, expanded its programs to also serve deaf people who are economically or socially disadvantaged and who have a developmental disability.

In particular our program has enjoyed great success in the past years. Because of the magnitude of contributions, we were able to establish many programs such as Independent Living Skills Day Program, Community Support, and Employment Services just to name a few.

The goal of Deaf REACH is to continue to make a difference in the lives of the population we serve. With the help of donations from supporters such as your company we will continue to see great strides.

Thanks again for your generous support to our mission.

Best Wishes,
