Thank you!

April 24, 2012

Dear Friend of Woodlin Elementary School:

BRANCHES FREE EXPERTS

Thank you. Your support of this year's Woodlin Elementary School Silent Auction helped make our event a success! The Silent Auction raised nearly \$6,000 in needed funds for after-school enrichment programs, scholarships for field trips, cultural and science assemblies, classroom equipment, tutoring opportunities, and more, for the nearly 500 Silver Spring children who attend Woodlin.

More than 250 Woodlin families and friends turned out to enjoy the Winter Festival and see your donation displayed with others in the Silent Auction room. We also featured your donation in the auction program, on the PTA website, and in emails to the Woodlin community leading up to and following the event.

In these tough economic times, the Silent Auction proceeds play a critical role in making a number of enrichment programs available to Woodlin students. Thank you again for your generous support of the Silent Auction, Montgomery County Public Schools, and the students of Woodlin.

Sincerely,

Hilary Barker
Drina Henry
Bernadette Sweeney
